**1957-2006**

pdf.version.  
Part 4.  
1993 to 2005.

**1993 ..... Venue ; HOVE held on Saturday 18th September. Starting at 11.00 am ... Programme £ 1 . 00**

This was the first South Coast Championship Regatta held at Hove, and the 37th Championship Regatta. We were well received at the Civic reception and looked forward to Regatta Day. The morning dawned with freshening winds making conditions choppy but with the sun shining and many supporters lining the lovely promenade, racing started on time. The Hants & Dorset crews copped best in these choppy conditions winning four of the five Championships. The Mens Senior Championship turned into an all Coastal affair with the reigning champions Shoreham neck & neck with Deal, as the line approached so Deal edged into a 1/2 length lead to win an exciting race.

**1994 .. Venue ; DARTMOUTH held on Saturday 17th September starting at 10.00a.m. Programme £ 1 . 00**

This was the 38th South Coast Championship Regatta and the fourth time here at Dartmouth. It was a well supported regatta with five heats in the Mens Open Senior Fours. With racing started at 10.00am, we had to wait until 4.15pm for the first championship race, with the Mens Senior Championship at 5.30pm. Coalporters Ladies rowed well to win the Junior Championship easily, while Exeter took the Ladies Senior beating Southampton by 1 length after 3 false starts. Shoreham regained the `Bideford Bowl` with a masterful display, winning by 3 lengths.

**1995 ..... Venue ; POOLE held on Saturday 9th September starting at 10.00a.m. Programme £ 1 . 00**

This was the 39th South Coast Championship Regatta the first held here at Studland Bay. The first Championship race was the Ladies Junior in which we saw Southsea representing the Coast storm away from the pack lead by Worthing to win easily. The Mens Junior saw Ryde and Deal pull away to have their own private race with Ryde winning by 1/2 length. The Ladies Senior saw the only dead heat. In the re-row Southampton pulled clear of Christchurch to win by 1 length. The Senior Championship saw Shoreham retain the `Bowl` with a 21/2 lengths win over Poole.

**1997 ..... Venue ; BEXHILL held on Saturday 20th September starting at 11.30 a.m. Programme Only £1.00**

This was the 41st South Coast Championship Regatta and the first time here at Bexhill. The weather was bright and sunny leading up to the week-end, but during the Friday pre-regatta reception, we saw the wind turn easterly making conditions quite rough. After a early morning meeting the Officials put back the starting time in the hope of conditions improving. Finally the decision to hold the Championship events only was made, although conditions at the start were quite choppy 'to say the least'. The regatta started in these choppy conditions with the Coast crews coping well with the conditions. Shoreham Junior Ladies winning easily, followed by Hastings Junior Men holding off a late challenge by Shanklin. The eagerly awaited 'Bideford Bowl' race saw the two coast crews from Deal pull away from the rest of the field, with Deal 'A' winning easily. Worthing Senior Ladies again proved a very good crew taking this Championship with Dover 2nd. In the last Championship race the Mens Junior could the highly rated coast crew from Hastings complete a clean sweep for the Coast, from the start all the crews were chopping well in the rough conditions with Coalporters just edging out in front to increase their lead to win the Championship by 2 lengths.

There has been many incidents on and off the water over the years, but one such incident occurred early on the Sunday morning after these Championships when Stephanie Hickman a member of Ryde R.C. was taking an early morning stroll to clear her head after the Saturday night celebrations, when she noticed a large wooden box in the middle of the Public Car Park. Having seen this box before, she was very surprised when upon opening it to find the famous 'Bideford Bowl' inside. It had apparently sat alone in the Car Park 'all night' It was fortunate indeed that a rower was the first to find it, especially for the previous days winning crew from Deal R.C.

## 1998 ... Venue ; FALMOUTH held on Saturday 19th September starting at 10.00 a.m. Programme cost £ 2 . 00

This was the 42nd South Coast Championship Regatta and the first time here on Stithians reservoir, a welcome lunch break was had with the Mens Junior Championship being the first race after lunch at 2.00pm in which we saw an exciting race with Shoreham winning by 1/2 length. Next up came the Southsea Junior Ladies who pulled clear of Exeter to win by 2 lengths. The Ladies Senior Championship was another exciting race with the Coast Champions Worthing pulling well clear and by half way we all thought that's it then but! Southampton had other idea's and slowly came closer and closer and it was down to 2ft as the crews raced passed the finishing line with Worthing taking the title. We thought that, that race was exciting but the Mens Senior proved just as exciting with Greenbank winning by a cvs.

## 1999 .. Venue ; SWANAGE held on Sunday 19th September at Poole Harbour. Programme cost £ 2 . 00

This was the 43rd Championships and started at 11.30 am. We all travelled to Swanage with high hopes of a regatta to remember, but alas this was not to be as the day dawned with high winds. After much discussion the regatta was postponed until the Sunday at Poole Harbour, many comments have been made about this questionable course and lack of facilities for spectators.

*Memories; Of our first Ladies Senior Championship, this was our first year in Senior competition ( three of the crew having competed in the Junior Championship race in 1998 ) and we were runners up to the experienced BTC crew. The morning of the Championships came with winds of force 6 to 7, gusting to force 8, which made both the Championship course and the alternative at Studland unrowable. Sunday brought no improvement in the weather but the organisers had somehow overnight arranged a third course in the shelter of the upper reaches of Poole Harbour, where all 5 Championship race could take place. Our race turned into a two crew race with ourselves and BTC racing neck and neck from the start, pulling away from the rest of the crews. As we both raced up the course we started to drift apart and it was difficult for anyone to be able to tell who had the lead, it was just a matter of racing flat out to the line. After an agonising wait Poole were judged to be the winners by just 1/2 canvas.*

This was the 44th South Coast Championship Regatta and was rowed in appalling weather. All the crews took part are to be congratulated on their watermanship. Southsea beat Herne Bay by 2 lengths to take the 'Bideford Bowl', while their Ladies Junior crew won by 3 lengths. Exeter and Lymington battled all the way to the finishing line in the J/Senior Championship, the verdict a canvas, The Bideford Reds Senior Ladies beat Exeter by 3 lengths to win the Championship, in the Mens Junior Championship Ryde beat BTC to take this title. No Open events were held.

## 2001 ..... Venue ; FOLKESTONE held on Saturday 8th September.

We were well received at the pre-regatta reception and all looked forward to a good days racing. In the Ladies Junior Championship the two BTC Southampton crews representing the Hants & Dorset gave a fine display, while in the Ladies Senior Championship Southampton gave a masterful performance to win easily. Coalporters won the Bideford Bowl, while in the Open events Dover won the first Veteran race with Bexhill taking the Open Senior.

## 2002 .. Venue ; TORBAY held on Sunday 15th September at Dartmouth. Starting at 10.00 am Programme £ 1 . 00

These the 46th South Coast Championships were hosted by the West of England ARA. We were all well received at the civic reception on the Friday, having a first class buffet and meeting many old friends, things were going well. Having travelled to the sunshine coast of Torbay, looking forward to flat seas, we find the wind shifting to the north-east and choppy seas ... O`h dear not another year of disappointment. After the early morning meeting, we all travelled over to Torquay the reserve course and waited ... but to no avail ... racing was not to be. Fortunately the organisers managed to secure the course at Dartmouth for the Sunday at which all the Championship and Open races were held.

## Memories of Torbay in 2002, held at Dartmouth on Sunday 15th

Having moved from Torquay to Dartmouth due to the rough conditions, saw some excellent races, for which the organising committee must be congratulated.

The first Championship race was the Junior-Senior Fours .. after 4 false starts, the race finally got underway with Bexhill leaping into a small lead. By 1000 metres this lead had increased to 3 lengths and we started to think that it was all over, but steadily the lead was eaten away as Christchurch, Herne Bay and Dart-Totnes started to edge forward .. over the final 500 metres we saw Christchurch take the lead to finish 2 lengths ahead of Herne Bay and Dart-Totnes, who dead heated for second place with Bexhill 3rd. The Ladies Junior Championship was subjected to a re-row after Bideford (Reds) and Exeter collided at the halfway mark. The race was eventually re-started with four of the six crews on their final warning, from the re-start the race developed into a two boat race with Bideford (Reds) and Westover pulling clear of Exeter and the field. By halfway Westover had 1/2 length lead over the Reds, both these crews were 3 lengths clear, as the finish approached Westover increased their lead to 1 1/2 lengths to win in fine style. In the Junior Championship as the race developed Exeter had a slight lead over Deal and BTC with Folkestone leading the remaining group. With only 500 metres to go Deal and BTC had edged out in front .. neck and neck .. as the excitement from both sets of supporters increased, so did the pace of the race, as BTC Southampton edged out in front to win an exciting race by 1/2 length. The Ladies Senior Championship saw Poole go clear at 750 metres, with Greenbank Falmouth and BTC contesting 2nd place, but by halfway we saw BTC Southampton slip pass Greenbank and by 1500 metres had taken the lead to go on to a 1 1/2 lengths victory. The eagerly awaited `Bowl Race` did not disappoint, from the start Torquay and Bexhill edged out in front with nothing in it .. Lymington only just a canvas down ... Dover having had a slow start were coming through the field. By halfway Bexhill rowing very well had eased into a quarter of a length lead, with Lymington now challenging strongly. The excitement on the quay side was mounting, with 500 metres to go Bexhill were still in front with Lymington still challenging, the spectators and supporters could only stand and watch this fantastic race unfold as Bexhill increased their lead to win an exciting Championship by 1/2 length.

## 2003 .... Venue ; SWANAGE held on Saturday 13th September. Started at 10.45am Programme £ 2 . 00

We all travelled to Swanage hoping this time we would have better weather, regatta day dawned bright with light winds. As the start time approached so the winds began to freshen, but conditions still rowable. BTC Junior Ladies won an exciting race with Dartmouth 2nd, while BTC Senior Men showed a clean pair of heels to Ryde winning by 3 lengths. The Ladies Senior Championship was dominated from the start by Southampton who went away from the rest of the crews to win very easily, as did Deal in the Mens Junior Championship. In the J/Senior Championship strong favourites BTC had to be content with 2nd place a 1/2 length down on Folkestone. In the Open events Bexhill won the Mens Senior by a canvas while Southsea won the Veteran by just 3ft

## Memories of Swanage in 2003

The 47th South Coast Championship Regatta here at Swanage saw the sun shining and started on time at 10.30 with the Open Events heats. At 11.30 the Mens Junior Championship got underway with the Coast Champions Deal leaping into the lead from lane one and were never threatened to win the title easily. The Ladies Junior Championship provided us with an excellent race with Dartmouth in lane 6 and favourites BTC (unbeaten this season) in lane 2, pulling clear of the rest, as these two crews approached the finishing line BTC opened up a small lead to cross the line  $\frac{1}{2}$  length up to take the title. In the Ladies Senior Southampton were never threatened and won easily. In the Jun-Senior Championship we saw the Junior Champions from Deal step up a class to contest this Championship with Folkestone and strong favourites BTC. These three crews pulled clear at halfway and as the crews approached the final 200metres Folkestone had just edged out in front to win by  $\frac{1}{2}$  length. The final Championship of the day started at 2.10 with BTC in lane 5 having won 12 races this season, although pushed by Ryde the BTC crew took the `Bideford Bowl` in style by 3 lengths. We saw some close and exciting Open races with Southsea in lane 1, holding of the strong finishing Bexhill to win by 3 ft, while Christchurch Senior Ladies had a comfortable  $2\frac{1}{2}$  length win over Lymington. In the J/Senior Westover from lane 6 were victorious over Coalporters by  $1\frac{1}{2}$  lengths. In the Mens Senior we saw Bexhill winning by a canvas over Shoreham with Itchen a close 3rd.

## 2005 ... Venue ; BEXHILL-on-SEA held on Saturday 3rd September. Started at 9.45am. finishing at 3.00 pm

These the 49th South Coast Championships were hosted by the Coast ARA here at Bexhill for the second time, and have been toasted the best for many years. We were assured that everything would be perfect and that's the way it was, a credit to the organising committee. The Friday evening reception was excellent, well run with great food, everyone was well received and had a good time. The Saturday morning dawned and we saw the South Easterly winds gain strength, but nothing could deter the organisers, with the sun shining and a great number of supporters lining the promenade, the regatta started on time with all crews taking to the water when told to do so, which was a credit to all, this allowed all races to be run on time.

## Memories of Bexhil-on-Sea 2005

What a superb event .. perfection, acclaimed by all as the best organised in years. The order and organisation of the events was excellent. In the first Championship race we saw Ryde storm away to lead from start to finish to become Junior Champions, while in the Veteran Championship Christchurch coasted to a 4 lengths win over reining Champions Folkestone. Southampton Coalporters created a unique double by winning both Ladies Championships with their Senior Ladies rowing to an easy win over 2nd placed Dover and their Junior Ladies had a comfortable 4 lengths win over Poole. Herne Bay also had the unique distinction of a double by winning the Junior-Senior Championship in fine style, while their Senior`s won an exciting `Bideford Bowl` race as described by Ryan Hosking,

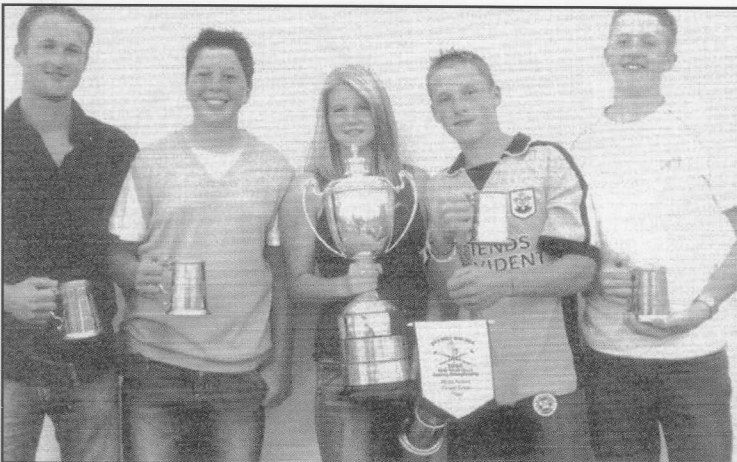

*Our moment had come, all that training, we`r here representing our Association as Coast Champions (no pressure). Arriving on Friday we walked the course, then a light training row just to loosen the legs. Everyone was a bit edgy, our legs were like coiled strings, then it just exploded, everything came back, it was then that we all knew we had peaked at just the right time. Later we decided to go for a meal, imagine our surprise when the BTC lads walk into the restaurant, I think they felt the same .. time to leave .. later didn`t get much sleep, keep thinking "what if" Regatta day dawned, sun shinning, met our captain who informed us that we had drawn lane 5. We all lined up on the start line and after what seemed an eternity the race got under way. The first 20 strokes were a bit of a blur, as we expected BTC and Bexhill moved about 2 lengths up, all we had to do was keep with them in these choppy conditions, we moved passed Christchurch and Dartmouth. We were trailing Bexhill by 1 length now with BTC a further 2 lengths out in front, we all knew we had to pass Bexhill quickly, if not it would allow BTC to pull away. Having passed Bexhill, the race was now on, BTC were only 1 length in front and we were reeling them in with every stroke. With 200m to go we took the lead, Darren instantly took up the rate, the boat shot forward and we destroyed them over those last few strokes. When the hooter sounded, we continued rowing, until we were sure, then we realised we`d won the "Bowl" capping off the treble against our old rowing rivals, it was all worth it.*
