REGATTA RESULTS FROM: BOURNEMOUTH,  
HELD ON : Not Held.

Note: BOURNEMOUTH REGATTA WAS FINALLY CANCELLED AFTER THREE ATTEMPTS TO STAGE THE EVENT - ALL DEFEATED BY THE SEVERE WEATHER CONDITIONS.

On two occasions the regatta was started but abandoned by the Umpires as to dangerous to continue.

Dates Regatta attempted: Saturday, 1st August.  
Saturday, 8th August.  
Saturday, September, 12th.

No Finals were raced and no Association Points awarded.

The ASSOCIATION SECRETARIES REPORT ON THE 1992 SEASON.

The 1992 season will be remembered as one dominated by the four Southampton based Clubs as they won five of the seven fours championships and had a share in the remaining two - as well as winning two of the three pairs Championships - a dominance confirmed by the Southampton Clubs providing seven of our ten Southcoast Championship representative crews.

In the mens Senior fours BTC won the Championship with six points following a strong mid-season challenge from Southsea who gained four points and an early season challenge from Vospers with two points.

The mens Junior Senior Championship was also won by BTC winning ten of the twelve races - the only serious challenge coming from Ryde who won the other two points and forced BTC to a re-row on another two occasions.

Vospers R. C. won the mens Junior fours Championship with seven wins, from BTC with 4 and Southampton with one. Vospers confirmed their supremacy by going on to win the Championship Junior race at the Southcoast Championships for the Association.

Four Clubs tied for the mens Novice Championship - BTC, Christchurch, Southampton and Coalporters - each with two wins. The strength of the Associations Novice status being further illustrated by another four Clubs gaining single wins - Vospers, Southsea, Lymington - and, deserving a special mention following a long absence from Hants & Dorset competitive racing - Newport Rowing Club.

Not unexpectedly the newly created Senior Ladies status was not established without some difficulty - with no point awarded at two regattas because insufficient Clubs competed. In spite of this it was an encouraging start and I remain confident that the event will soon flourish. Southampton won the first Championship with four points with Vospers and Shanklin with two and Christchurch with one point. Vospers joined Southampton to represent the Association at the Southcoast Championships and justified their selection by winning the Championship Senior Ladies event.

Misunderstanding and confusion over the status rules marred the start of the Junior Ladies Fours Championship resulting in the points awarded at the first four Regattas being withdrawn. Following what was effectively a re-start to this Championship at Poole Regatta BTC emerged as Association Champions with four points just beating Southsea who mounted a strong end of season challenge to close to within one point. BTC went on to confirm themselves as worthy champions when they won the Ladies Junior Fours Southcoast Championship event.

The Ladies Novice Fours Championship was shared between two clubs - Southampton and Southsea - with three point each. They were closely followed by BTC and Lymington with two points each and Pool also recorded a Novice ladies win.

The mens Senior pairs was the most closely fought Championship - Southsea and Christchurch finishing the season all square

with five point each forcing a row-off which was won by the Southsea pair. Poole also recorded a single win in this event.

Victories in the mens Junior Pairs swung between Southampton and Coalporters with Southsea snatching two points at the end of the season. Southampton eventually emerged as Champions with five points to Coalporters four.

The Southampton Club completed an excellent season by also winning the Ladies Pairs event with seven points the only serious challenge coming from Southsea who claimed three points.

Nigel Green of Christchurch retained his Mens Senior single sculls title with seven points from the only other Senior sculler to record any wins - Gisborne of Southsea - who won three times.

The Ryde sculler Simon Saunders won the Junior Sculls Championship with five points, fighting off a an early season challenge from Symons of Vospers with two points and a formidable challenge from Collins of Westover who finished the season with three points. Lane of Christchurch also won a point giving us four scullers to be promoted to the Senior status for next season.

The prestigious award for coxswain of the year was deservedly won by Matthew Edwards of the BTC Rowing Club.

One Regatta - Bournemouth - was lost to the weather in spite of three brave attempts to stage the event. Southsea - scheduled for early July was postponed but eventually held in early September. All the Associations Regattas, with the exception of Christchurch which has no small boats had entries exceeding one hundred crews - Southsea being the largest with two hundred and fifty-eight entries - one hundred and thirty-five of these coming from the Hants & Dorset Clubs.

At the beginning of the season the Association Clubs had a total of 508 registered oarsman and women and another 175 were registered during the season giving a total of 683 - a very healthy state.

Finally, although a it is unfortunate to end this report on such a sad note, the tragic loss of John Carter of the Coalporters Club that so marred the Southampton Town Regatta should not pass without being recorded.

THE ASSOCIATION SECRETARIES REPORT ON THE RACING AT THE 1992 SOUTHCOAST CHAMPIONSHIP REGATTA, APPLIEDORE & INSTOW, 19th SEPTEMBER.

A short, around 1500m, but fair and well marked course in near perfect conditions led to some excellent racing at the 1992 Southcoast Championships Regatta organised by the West of England ARA at Appledore & Instow on Saturday, 19th September.

With full representation from each Association in the Championship events and 108 crews entered in the open and invitation events - nearly 60% of whom came from Hants & Dorset Clubs their was a very full programme of racing with, including the five Championship events a total of 25 races crammed into just over three hours. The Regatta started just a little late and finished just a little late which reflects well on the events organisation and on the efforts of the officials on the day.

The Mens Senior Championship Race for the Bidiford Bowl proved to be as exciting as we expected with Shoreham winning by just about a length over our own Hants & Dorset Champions from BTC who were clearly closing on them at the finish - we will always wonder what might have been if the course had been the full 2000m! Bidiford Reds finished third, half a length behind BTC with the other H&D representative - Southsea - finishing a disappointing 6th. A protest from Deal and BTC with regards to the start was not upheld.

The Mens Junior Senior Championship was won by Bidiford Reds with a two length advantage over Plymouth at the finish. Again the Hants & Dorset representatives were closing fast at the end BTC finishing 3rd a length down on Plymouth and Ryde 4th and within a length of BTC.

Vospers, the Hants & Dorset Champions, completed a fine season by comfortably winning the Junior Championship event with BTC the other Hants & Dorset representatives finishing third behind Worthing.

Vospers then went on to complete an impressive double when their Senior Ladies justified there selection by coming home first to win the Senior Ladies Championship from a Shoreham crew who challenged hard over the last 500m and would claim that they were robbed of victory by an unfortunate "crab" just lengths from the line - although Vospers were in my opinion always in control - and the "crab" was a forced error as Shoreham - the pre-race favourites - realised they were beaten and panicked. Hants & Dorset Champions Southampton finished third having failed to re-gain there early season form.

In the new Championship event - the Junior Ladies - for the impressive Dartington Crystal Vase - the Hants & Dorset Champions BTC became the first winners with another comfortable victory from Exeter in second place and Torquay third. The second Hants & Dorset representatives Southsea finished 5th having failed to make the adjustment to the river boat.

The Associations three wins in Championship events supported by the other well placed Association crews assured the Hants & Dorset ARA of the Bass Aggregate Shield for the most successful Association in the Championship events and the honour of

collecting this trophy on behalf of the Association was given to the Chairman of Vospers Rowing Club as the Club who had contributed most to the performance.

The open and invitation events were closely contested and the Association had two more successful crews. In the Mens open Senior final Bidiford Blues won by just a canvas over Poole with Ryde in third. Five of the six finalists in this event were Hants & Dorset Clubs. The Mens invitation Junior Senior event was won by Herne Bay with Dartmouth second and Bidiford Blues third - this was the only event where the Hants & Dorset were not represented in the first three places. In the mens invitation Junior Final Southampton B won with Coalporters second and Bidiford Blues third. Bidiford Reds won the mens Invitation Novice Final with BTC second and Herne Bay third and the Reds also won the Ladies open Senior Final with Christchurch second and Paignton third. Christchurch did win the Ladies Invitation Junior Final with Lymington second and Vospers third - a clean sweep by Hants & Dorset Crews. This was nearly repeated in the Ladies Invitation Novice Final but unfortunately a degree of confusion and misunderstanding about the status rules that applied - which were compounded by the Regatta Director and West of England ARA Secretary - resulted in BTC and Vospers being disqualified the victory finally being awarded to the third placed crew - Southampton. Again the performance of the Associations crews was sufficient to ensure the award of the Port of Dartmouth Royal Regatta Sesquicentennial Trophy which was collected on the Associations behalf by Southampton who had contributed ten of the Associations 33 points total.

In my opinion the main problem with Appledore & Instow as a Southcoast Championship venue, apart from the short course, remains the separation of the crews from the spectators - and this clearly results in a loss of atmosphere and from the competitors point of view gave them no opportunity to see the racing and support their crews. However, while I am sure there will be some criticism of the Regatta and some more lessons learnt I believe we witnessed a good Regatta over a reasonably fair course and we can certainly feel very proud of the excellent performances produced by the Hants & Dorset Associations crews.

Association Secretary,
