HANTS & DORSET AMATEUR ROWING ASSOCIATION.

ASSOCIATION SECRETARIES REPORT ON THE 1993 HANTS & DORSET SEASON.

If 1992 was remembered for the dominance of the Southampton based Clubs then 1993 must go down as Southsea's year with wins in five of the twelve Association Championships and a share in another two - a remarkable season capped when the prestigious Coxswain of the Year award went to their Senior Crew coxswain Fiona Cooke.

Southsea certainly dominated the Mens Senior Fours event winning ten of the thirteen races with only BTC mounting a serious challenge winning two events and taking the Hants & Dorset point at Southsea Regatta - these two crews going on to represent the Association at the Southcoast Championships. However there is another Senior crew worth a mention - the Lymington four going close to a first Senior win for that club for many years with four second places.

The Junior Senior Fours developed into a season long struggle between two Clubs - near neighbour's BTC and Vospers - with BTC eventually just snatching the Championship honours with their seven wins against Vospers six. These two crews represented the Association at the Southcoast Championships with Vospers turning the tables on BTC to win this event.

The Mens Junior Fours was another epic struggle between two Clubs Coalporters and Southsea who finished the season with six wins a piece, BTC grabbing the other point with a win at Poole Regatta. The Association Championship was eventually settled at the Southcoast Championships Regatta where these two Clubs represented the Association and where Coalporters claimed the Hants & Dorset and Southcoast Championships by winning the event. Coalporters had two winning Junior crews during the season - the second crew proving there worth by winning the open Junior event at the Southcoast Championships.

The Mens Novice Championship again illustrated the strength across all the Hants & Dorset Clubs with nine Clubs recording wins during the season. At the last Regatta three Clubs - Southsea, Ryde and BTC had already recorded two wins and all had crews chasing a third to clinch the Championship - but it was Coalporters who came through to win the last event, their second win of the season to make the Championship a four-way tie. Lymington, Shanklin, Christchurch, Poole and Southampton were the other Clubs to record a win.

The Ladies Senior Fours event became well established during this season, without any of the problems that beset the first season and this Championship was also closely fought with the season ending with another two Clubs - Southsea and Southampton with five points a piece. The event was settled at the Southcoast Championships with Southsea emerging as winners. Vospers also won two of the Ladies Senior events during the season with Christchurch gaining the final point available.

Christchurch and Lymington were the main contenders for the Junior Ladies Championship, Christchurch winning with 7 wins against Lymington's 5 and both crews representing the Association at the

Southcoast Championships where a win by Christchurch confirmed their status as worthy Champions. Southampton, who went close on several occasions, won once during the season to take one point.

Coalporters Regatta provided the extra Ladies Championship events at Senior and Junior status when they introduced, at long last, Championship events in these two categories giving them the full 13 Regatta programme at last.

The Ladies Novice Events were well supported all season - and for the first time there were consistently more Novice Ladies Crews than Men - another sign of the growing popularity of Ladies rowing on the coast, echoing the trend on the river. The competition was also of a high standard with wins coming from seven Hants & Dorset Clubs, five of them winning twice to share the Championship - they were Christchurch, Lyminster, Shanklin, Coalporters and Southsea.

All 12 points in the Mens Junior Pairs Championships were won by just two crews - Southsea with 7 who retained the Championship and Poole with 5. Poole gained one of their point at Southsea where they finished 5th - but were still the first Hants & Dorset crew home!

The young Christchurch Junior Pair Crew won their Championship in a fairly convincing manner taking eight of the available 12 points with the only serious challenge coming from Southsea with 3 points and Westover who won the re-run Milford Regatta.

In the Ladies Senior Pairs there was another dominating performance, this time by the Southampton Crew who also won 8 of the 12 points. The main challenge again came from Southsea with Shanklin snatching a single victory in the last Regatta of the season.

The Mens Senior Single Sculls produced some of the best racing of the season with two scullers - Callaghan of Poole and Gisborne of Southsea producing a string of close finishes. Callaghan emerged from this season long struggle with the Championship having won 7 points to Gisborne's 5.

In complete contrast the Junior Sculls event was dominated from the first race of the season by Tout of Southsea. Such was his dominance that he took the first 8 points and had the Championship won after the first 7 Regatta's. However this performance did give us problems - when Tout withdrew from several races to compete at Senior Fours we faced the peculiar situation where no one wanted to win the race and some farcical racing followed! By the end of the season three other single scullers had won a single race each to achieve their Senior status - Lever of Christchurch, Dear of Ryde and Hunt of Southsea.

With the exception of Christchurch Regatta where there are no small boats all the Hants & Dorset Regatta's had entries of over 100 crews - the most being Bournemouth with 137 - if you exclude Southsea where coast ARA crews also compete and which had an entry of 229 crews - 124 from Hants & Dorset Clubs.

There was a small fall in individual registrations - from 683 to 676 - a drop of 1.02% over 1992 but there were probably more Ladies registered than ever before illustrating the continued growth in this area. Southsea were the Club with most registrations - with 109 - more than 25% more than the second Club - BTC who had 76.

So to summarise - Southsea were the largest Club - and the most succesful, registrations remained fairly stable - and the growth in support for Ladies rowing continued. The full programme of Regattas were completed and all the regattas and events were well supported - and once again the Hants & Dorset ARA emerged as the most succesful of the three Southcoast Rowing Associations.

Port of Dartmouth Royal Regatta Sesquicentennial Trophy:	HANTS. & DORSET ARA/Coast ARA [Shared] Held for H&D by Southampton A. R. C.

THE ASSOCIATION SECRETARIES REPORT ON THE RACING AT THE 1993 SOUTH COAST CHAMPIONSHIP REGATTA, AT HOVE, SUSSEX, ON SATURDAY 18TH SEPTEMBER.

The Coast ARA staged the 37th South Coast Championship Regatta at a new location for the event - Hove in Sussex. Without a local Club to take responsibility a Coast ARA committee under Championship Director Phil Challen organised the event with substantial backing from Hove Council and the main sponsors Seeboard. Racing, in rough but rowable conditions was over an 1800 meter course with the start near Brightons West Pier and the finish by the King Alfred Sports Complex in Hove. It is fortunate that the conditions were no worse or that they did not deteriorate significantly during the day as the second course at Eastbourne was, in my opinion, never likely to provide a suitable alternative and the safety facilities at Hove were very limited.

Apart from the five Championship events there were 22 supporting races which included heats in all events except the open Junior Senior event, although on the day the Mens Novice heats were cancelled and a straight final was rowed. Including the Championship races there were 152 fours entered for the Regatta - with 77 of these - over 50% coming from Hants & Dorset Clubs.

As you would expect the Championship Senior event produced the fastest race of the day - with a time of 6 minutes 35 seconds recorded. The race was also very close with Deal just holding of a late challenge from the holders Shoreham to win by half a length. The two Hants & Dorset representative crews finished 3rd and 4th - BTC beating H&D Champions Southsea. It is now some 5 years since the Hants & Dorset has won the Bideford Bowl - clearly a disappointment to the crews involved and a run the Association needs to end.

However after the disappointment of the Bidiford Bowl race the other Championship events were a triumph for Hants & Dorset Clubs and there was never any doubt that the Bass Aggregate shield would stay with our Association.

In the Junior Senior fours the friendly rivelry between H&D Champions BTC and runners-up Vosers that we had seen all season continued but this time Vospers had the better row beating BTC in to second place by a four length margin.

The Junior Fours Championship event had the H&D Championship being decided in the same race - Coalporters and Southsea having finished the season with 6 points each - and it was Coalporters who claimed both prizes winning the race by 1 length over Folkestone with Southsea finishing third.

The Senior Ladies was another event were the H&D Championship was also at stake - and again Southsea were involved - along with Southampton. After a good race it was these two H&D crews out in front - Southsea finishing first to claim both prizes.

In the Junior Ladies Championship event the Hants & Dorset Champions

Christchurch emerged as the winners beating Worthing by one length with the second H&D representatives - Lymington - finishing third.

The open events produced some more close races - with several more wins for Hants & Dorset Clubs. Christchurch won the Mens Senior Fours by a length and a half over Eastbourne and there was another H&D win in the Mens Junior fours with Coalporters winning convincingly - a clear four lengths ahead of Hastings. The other Mens open events were won by Bexhill in the Junior Senior Fours and Deal in the Novice fours where Poole finished in second place. In the Ladies open events Worthing won the Senior Fours with Vospers second, Paignton finished third - the highest placed West of England crew in any event. H&D Clubs took the three top places in the Junior Ladies event - Southampton winning from Shanklin in second and Coalporters third. The Ladies Novice event was won by Hastings with H&D Clubs in second and third place - Southampton and Poole respectively.

The Championships were brought to a successful conclusion by a well attended prize-giving where all competitors and officials received individual mementoes and each attending Club received a commemorative replica blade and the winners collected their Trophies, medals and pennants.

I am sure the event will be judged a success and the venue a good one - although we were fortunate that the conditions were no worse and no doubt other concerns - for example tankards as well as medals for Championship Winners - will be addressed at the next South Coast Council Meeting. The support from Hants & Dorset Clubs was, as usual, considerable and we can be justly proud of the performance of our representative crews and of Hants & Dorset crews in the open events. While our failure to win the Senior Fours Championship is clearly a disappointment the overall performance of our Association clearly indicates we are still the best of the three Associations.

Stephen C. Bull,
Association Secretary.
23rd September, 1993.
