ASSOCIATION SECRETARIES REPORT ON THE 1994 HANTS & DORSET SEASON.

No one Club dominated the racing in the 1994 Hants & Dorset Regatta Season and several of the Associations smaller Clubs produced exceptional winning crews.

The Mens Senior Fours was certainly one of the most competitive for many years with four different Clubs recording wins. Poole slowly emerged as the Hants and Dorset Champions with five points - but were chased hard all season by BTC and Vospers who were both able to claim three points. The Senior wins - and Championship - by Poole is believed to be their first for thirty years and for the fourth Club to take a point - Lymington - this was the first Mens Senior Fours win in the Clubs history. BTC won the row-off against Vospers for the second slot to represent the Hants & Dorset at the South Coast Championships along with Poole.

Southsea won the first Mens Junior Senior win of the season but the event was than dominated by Southampton who won the next seven Regattas to secure the Championship. The fast improving Coalporters Crew won the next three Regattas to secure the Championship runners-up slot and Association Representative honours at the South Coast Championships. But Southampton regained their mid-season form to take the last two Regattas and go on to win the South Coast Championships Regatta.

The Mens Junior Fours was a two horse race between BTC and Vospers with the crews involved in some very close races and with the Championship lead swapping round almost on a weekly basis. The Championship was not decided until the last Regatta where BTC's win at their own Regatta clinched the title with seven points to Vospers six. Both crews went on to represent the Association at the South Coast Championships with Vospers turning the table on BTC to win the event.

With nine different Clubs with wins at Mens Novice status this would appear to have been a well contested Championship. Sadly Mens Novice crews were thin on the ground and to be honest the standard on the winning crews in the second half of the season left a lot to be desired. There were several Regattas were only three Clubs contested the event and at one Regatta - Milford - the event was declared open because only two Clubs were involved. However I do feel that by the end of the season the Clubs had generally recognised the problem and the number of crews competing started to increase - hopefully this momentum will continue throughout the winter - and we will not experience the same problems next year. For the record Southsea's two wins gave them the Championship and single wins were recorded by Ryde, Coalporters, Lymington, Christchurch, Poole, Newport, BTC and Shanklin.

The Ladies Senior Fours was dominated by two crews - but one Club - Southampton recording ten wins, six with one crew and four with another. The only serious challenge came from Vospers who won three

Regattas and with Southampton represented the Association at the South Coast Championships.

Another Southampton based Club - Coalporters dominated the Ladies Junior status with eight wins. Their nearest challengers, and the other Association Representatives at the South Coast Championships were Lymington with three wins with crews from Vospers and Shanklin recording a single win each.

In contrast to the Mens Novice status the Ladies Novice section continued to expand with heats required at most Regattas and crews from five different Clubs winning during the year. BTC and Christchurch shared the Championship with four wins each, Poole recording two wins and Coalporters and Newport one a piece.

The Mens Senior Pairs Championship was won by Southsea with seven wins and using a squad of four oarsmen. The only serious challenge came from Christchurch with three wins with Poole winning once.

The Mens Junior Pairs was a closely fought contest between Christchurch and Southampton, Christchurch emerging as Champions - to retain the trophy for a second year -with seven wins to Southampton's five

The Shanklin Ladies Pair started exceptionally well winning seven Regattas - with six points awarded - to secure the Championship and then faltered over the second half of the season when Southampton scored four wins to finish as runners-up.

In the Mens Senior Sculls, the Poole Sculler, Wayne Callaghan retained his Championship winning seven events against Gisborne of Southsea's three and one win for Crawford of Worthing. Wayne's achievement was all the more remarkable as he was also a member of Poole's Championship winning Senior Fours crew.

The most convincing Championship winning performance of the season came in the Junior Sculls, where R. Emerson of Southampton won ten of the twelve events, Collins of Worthing winning one race and a Coastal Sculler winning at Southsea Regatta - where Emerson gained the Hants & Dorset point with his third place. Only two Clubs competed at BTC so no point was awarded.

Finally the Vospers Coxswain, Kim Stubbs, who also rowed in the winning Vospers Ladies Senior Crew, won the Coxswain of the year award.

There was a drop in the number of entries at all Regattas during the season and only Bournemouth, Poole, Shanklin and Southsea - who have the advantage of a Regatta combined with the Coast - exceeded 100 entries, where as in 1993 all but Christchurch, with no small boats, exceeded the 100 entries target. Overall entries were down by an average of 19% a disturbing trend that needs to be reversed. The only comfort is that there was apparently a similar drop in entries in the Coast and West of England ARA areas.

The total number of competitors registered with the Association also

dropped by 14% from a total of 677 in 1993 to 587 for 1994 - 164 of these being registered during the season. Southampton and Christchurch show as the largest Clubs with 76 members registered to row and half the Clubs have under 50 members registered.

There were no Regattas postponed or cancelled due to the weather conditions and most Regattas were staged in warm, dry and relatively calm conditions - probably the best for this series of Regattas for several years and while there were one or two unsavoury incidents we also witnessed some of the closest and most exciting racing in recent years. The major areas of concern, which needs to be addressed by all Clubs is the drop in the general registered membership and Regatta entries - which means that unlike my previous reports I am unable to claim any growth in our sport which is especially disturbing when the area affected the most is Novice Men.

THE ASSOCIATION SECRETARIES REPORT ON THE 1994 SOUTH COAST ROWING CHAMPIONSHIPS REGATTA, at DARTMOUTH, DEVON, on SATURDAY, 17th SEPTEMBER, 1994.

The 38th South Coast Championship Regatta was staged by the West of England Rowing Association, on Saturday, 17th September, 1994 at Dartmouth, Devon and hosted by the local Rowing Club who were celebrating their 125th anniversary and the 150th anniversary of the Dartmouth Royal Regatta. There was a full programme of Championship, Open and invitation events with 37 races spread over seven and a half hours, starting at 10.00am and scheduled to complete around 5.30pm. According to the official programme there were 133 entries, 20 less than in 1993 - a reduction of 13% which reflects the general trend in South Coast Rowing during 1994. However over 50% of the entries - 67 crews came from Hants & Dorset Clubs. The coast had 39 crews entered and the West of England 27 so the Hants & Dorset was, by a wide margin the largest Association represented.

The day of the Regatta was cloudy and cold, but dry with a strong wind blowing up and on occasions cross the course. A 1500m course had been laid for the open and invitation events with the start moved 500m further down river for the five Championship events which were held in a row, on the top of the tide, at the end of the Regatta.

The Hants & Dorset Officials for the event were Pat Glover - Umpire, Mike Green - Judge and Bob Sivier - starter who unfortunately had to withdraw through ill health and as reserve Official I replaced him on the start boat. As a result I saw the start of all the races but did not witness the finish of any and so my report can only state the basic results and not give a description of the races.

The Championship races were shared between the three Associations but the Hants & Dorset won two of the five and secured the Bass Aggregate Shield. The Bidiford Bowl - for the men's Senior Fours Championship however continues to elude us - we have not won it since 1988 - in spite of the best efforts of our representative crews Poole and BTC. This year the Coast ARA retained the trophy with Shoreham winning and their other crew, Deal, second and Poole finishing third after one false start and a re-row following bunching on the bend - a problem all day as crews sought the best line. The Men's Junior Senior Championship was won by Southampton with the Associations second representatives, Coalporters in second and Dartmouth from the West of England third. The Hants & Dorset representatives in the Men's Junior Fours - Vospers and BTC - continued their season long battle - with Vospers winning this one taking the Championship, with BTC second and Bexhill from the Coast ARA third. A West of England Club - Exeter won the Ladies Senior Championship with Southampton doing better than the other Hants & Dorset representative Vospers by finishing second with the Coast ARA Club Shoreham in third. Coalporters and Lymington represented the Association in the Junior Ladies Championship - Coalporters winning from Shoreham from the coast in second place and the West of England Club - Torquay in third.

Further success for Association Clubs came in the Open and Invitation events although Falmouth won the Men's Open Senior Fours, just beating Ryde with Christchurch third. However in the Men's Invitation Junior

Seniors Hants and Dorset Club took the first three places with Southsea winning, Coalporters second and BTC third. Another Hants & Dorset win came in the Men's Invitation Juniors - Poole winning from Totnes and Worthing. Torquay won the three boat, straight final, Men's Invitation Novice Fours - Ryde finishing second with Herne Bay third and Torquay also won the Ladies Open Senior Final with Christchurch finishing second and Totnes third. The Ladies Invitation Junior Final was the second event of the day to be dominated by Hants & Dorset Clubs - Vospers winning with Shanklin in second and Christchurch third. Finally the Ladies invitation Novice final was won by Coalporters with Ryde second and host club Dartmouth third. These results gave Torquay the Port of Dartmouth Royal Regatta Sesquicentennial Trophy - the aggregate Trophy for open and invitation races, Ryde's three second places giving them the runners-up spot.

In conclusion I think this was a well run regatta and while the course leaves a little to be desired I feel that most of the racing was fair and that the right crews won. The Hants & Dorset were, as usual, by far the largest Association represented - this event would be a non-starter without our support - and our three wins in the five Championship events and four wins in the seven open and invitation events is a clear indication of our superiority over the other two Associations, even though our failure to capture the Bidifird Bowl is a major disappointment to the crews involved and to the Association.
