Association Secretaries Report on the 1995 Season.

The excellent summer helped ensure that all thirteen Championship Regattas were staged on the dates intended - with no cancellations or postponements - and with additional trial events staged at Studland Bay - in preparation for the South Coast Championships - and at Cowes, on the Isle of Wight, by Newport Rowing Club. Seven of the Regatta's had initial entries that exceeded 100 crews - with most of the others exceeding this figure once the late entries had been taken into account. Christchurch, with no small boats was the exception. Total entries at the thirteen Championship Regattas was 1,410 an increase of 79 or 5.6% over 1994. The largest Regatta was Southsea with a total entry of 209, 121 of these coming from Hants & Dorset Clubs.

Poole A.R.C. retained their mens Senior Fours Championship with an unchanged crew, winning at eight Regattas. BTC and Vospers with two points each rowed-off for the second South Coast representative slot - BTC winning. Coalporters A.R.C. also claimed a Mens Senior Fours point, their first for several years with their second place to the coast Club, Shoreham at Ryde Regatta.

The BTC Junior Senior crew totally dominated their status, achieving the rare feat of winning all thirteen Regatta's - and were never seriously challenged although at various stages of the season crews from Coalporters, Vospers, Southampton and Christchurch mounted spirited attempts. Coalporters arguably posed the biggest threat to BTC's dominance and joined them as Association representatives at the Southcoast Championships having defeated Vospers and Southampton in a row-off. BTC rounded off their impressive season by winning the South Coast Junior Championship event.

Lymington A.R.C. emerged as the winners of the mens Junior Championship eventually winning eight Regatta's and points after overturning an impressive start to the season by Ryde who won the first two Regattas and claimed another two wins later in the season to secure the second South Coast representative slot. The Poole crew which also challenged strongly all season took a single point with their win at Bournemouth Regatta. Ryde went on to turn the tables on Lymington at the South Coast Championships where they the Championship event.

Six different Clubs won at Mens Novice and as usual the Championship remained in doubt until the last Regatta - Southsea's three wins clinching the title - with Christchurch, Coalporters, BTC and Ryde with two wins each posing a threat to the end - Poole recorded the other win. It is pleasing to note that there was a major improvement in both the numbers and the standard of this years Novice Mens crews.

In the Ladies Senior Fours Southampton were the Champions - only faltering twice - in the first Regatta of the season, Worthing won - and at the last Regatta - won by Christchurch who claimed the second South Coast Championship representative slot. They confirmed their position as worthy runners-up when they forced the Southampton crew to a re-row in the South Coast Championship which Southampton eventually won to prove themselves worthy Champions.

The Ladies Junior Fours was won by BTC with seven wins - the main challenge coming from Ryde, who's four wins gave them South Coast representative honours. Christchurch and Southsea won the remaining Regattas - and it is worth noting that both the Ryde and Southsea crews only won at Novice early in the season - so both crews went from Novice to Senior in a single season.

Ryde's four wins from two crews gave them the Novice Ladies Championship with Southsea on three wins from two crews as runners-up; BTC and Vospers both recorded two wins with Christchurch and Coalporters recording a single win each.

In the Mens Senior Pairs Southsea won nine of the twelve Regattas but were able to claim all twelve points - three of them for being the first Hants & Dorset crew to finish behind CARA opposition. On several occasions the Southsea Club also provided the second placed crew - the only other serious challenge to their dominance coming from Southampton.

The mens Junior Pairs Championship was also won by Southsea but was a closer fought contest - Southsea finishing with five points to Lymington's three with Poole, Shanklin and Southampton gaining single wins. There were only two clubs competing at Junior Pairs at Coalporters so no point was awarded at this Regatta.

The Christchurch Ladies Senior pairs crew won the first seven Regattas to claim their Championship - with no race at Woolston where all the crews scratched. The Christchurch crew then stopped competing - and Southampton took over winning all the other Regattas.

In the Mens Senior Sculls Nigel Green of Christchurch resumed his battle with Mick Gisborne of Southsea and emerged as the Association champion with five points from four wins - as he gained the point at Shanklin and Ryde for being the first H&D sculler to finish - but lost a point at Poole which he won - but only two Clubs competed. Mick Gisborne won three events with Wayne Callaghan of Poole and Colin Harrision of BTC winning one each.

In the Mens Junior Sculls, Paul Hollis of Southsea won the Championship with seven points - Munden of Christchurch was the only Hants & Dorset Sculler to beat him in the first eight Regattas - but Tim Bull of Lymington produced an excellent finish to the season to win the last three events to claim the runners-up spot.

The contest for the Hants & Dorset Coxswain of the year was disappointing with only six Clubs making a nomination - however this should not distract from the achievement of the young Ryde Coxswain - Stephen Salter - who won this prestigious award in his first year of competitive coxing.

Club Registration increased by 10% over 1994 to a total of 646 individuals compared with 587 last year - 517 at first registration and another 129 added during the season. As stated It was particularly pleasing to see a large increase at Mens Novice level - which had dropped alarmingly the previous year - and all Clubs are to be congratulated for their efforts here.

While there were one or two incidents during the season that caused concern and led to some discussion the season was relatively "incident free" with no postponements or cancellations and some excellent

competition with, in my opinion, a general improvement in the standard achieved by the both the competitive crews and scullers and the Regatta Organisers.

Hants & Dorset Amateur Rowing Association.

The Association Secretaries Report on the 1995 South Coast Championship Regatta - Saturday, 9th September, 1995.

This years South Coast Championship Regatta was staged on behalf of the Hants & Dorset Amateur Rowing Association by the Poole Amateur Rowing Club, with assistance from some individuals from other Clubs. The venue, a new one, was Studland Bay, near Poole where two courses were available, with a third alternative planned for Swanage. There was without doubt some apprehension regarding the choice of venue and the organisers who had no previous experience with the organisation of this event. Many of the concerns regarding the new venue were overcome following a trial Regatta on the site in May the problems remaining being its isolation and lack of facilities. The Poole A.R.C. committee did their best to overcome these problems and helped by the good weather on the day a well organised and successful Regatta was duly completed - although it did run a little late.

The Mens Senior Championship event was again won by CARA representatives Shoreham R. C. although they were chased all the way by the Hants & Dorset Champions from Poole Rowing Club. Deal the second CARA representative crew finished third with the second H&D crew from BTC suffering the major disappointment of equipment failure within just a few strokes of the start. Without detracting in any way from Poole's brave attempt and the quality of the Shoreham Crew it is now eight years since a Hants & Dorset Club has won the Bidiford Bowl!

The result of the Mens Junior Senior Championship was not a surprise to anyone who had witnessed their dominating display during all the Hants. & Dorset Regattas - the BTC crew winning in style to complete a magnificent and unbeaten season. Folkestone finished second with Exeter third - the highest placing for any of the West of England Championship Crews. Coalporters, the H&D's other representatives finished 4th.

The Mens Junior Championship produced an excellent race with Hants. & Dorset Championship runners-up Ryde, producing a storming start that they held to the finish although they were pressed all the way to the line by CARA representatives Deal who were narrowing the gap with every stroke over the last 200m - the verdict was half a length - but it looked closer. The Hants & Dorset Champions, Lymington finished third.

The Ladies Senior Championship produced the closest race of the day with the two Hants and Dorset representative crews, Champions Southampton and runners-up Christchurch, battling it out to the line. The judges could not split them, a dead heat the decision and a re-row called for - which the Southampton's Crew won. CARA representatives Worthing were third.

Southsea, representing the Coast ARA - a decision that provoked some discussion - won the Ladies Junior Championship with the second CARA representatives, Worthing in second place. The two Hants & Dorset representative crews - BTC and Ryde - finished third and fourth respectively.

The Associations three Championship wins and the placing's achieved by our other representative Clubs assured that the Hants & Dorset ARA were once again the recipients of the Bass Charrington Aggregate Shield for the most successful Association.

Association Clubs also did well in the open an invitation events with 17 Hants & Dorset Crews finishing in the top three places out of a possible 21. In four of the seven events - the mens Junior Fours, the Mens Novice Fours, the Open Ladies Senior Fours and the Ladies Junior Fours - Hants & Dorset Crews filled the first three places. Hants & Dorset Clubs won five of these events - Vospers winning the Invitation Junior Senior Fours, BTC the mens Junior Fours, Lymington the mens Novice fours, Coalporters the Ladies Senior Fours and Christchurch the Ladies Junior Fours. CARA Clubs won both the other events - Dover winning the Mens Open Senior Fours and Folkestone winning the Ladies Novice fours - in both cases H&D Club Vospers were second and these results along with their win in the Junior Seniors gave them the aggregate trophy - the Port of Dartmouth Royal Regatta Sesquicentennial Trophy - for the most successful Club in the Open and Invitation events.

Historically Hants & Dorset Clubs have provided most of the crews at the South Coast Championships and as expected, at a Championships hosted by the Hants & Dorset this years event was no exception. There were 145 entries for the Open, Invitation and Championship events, twelve more than last year which is an increase of 8%. 85 of these crews, 59%, were from Hants & Dorset Clubs. CARA Clubs were represented by 42 crews - 29% and the West of England by just 18 crews - 12%.

The Regatta was not without its problems - for example in hindsight I think Regatta Control was seriously under manned. There were also some serious communication difficulties, for example at no time during the Regatta were Regatta Control able to speak directly with the Starters even though the system should have enabled them to do so. As a result all messages to the start had to be relaid via the Start marshal. There was also communication difficulties between the beach marshal and the start marshal which added to the confusion on occasions and may have contributed to the situation were a number of crews failed to make the start on time for their race although this situation occurs at every South Coast Regatta. Another problem - which may also have been contributory to crews missing races was the number of boat and cox changes that were required which an early re-row complicated further. Regatta Controllers tried to accommodate crews but were probably to lenient - I am now of the opinion that Clubs must accept the fact that they share boats, coxswains and equipment at there own risk and that at least in the heats of the open and invitation races no there can be no extra time for changes. I have to say that this problem was most obvious among Hants & Dorset Clubs, presumably because we had more crews than the others - or do we not organise our selves so well!

However in the main the problems on the day were no worse than any other Championship Regatta I have attended - and many have been far worse - and so I believe that this will be regarded as a very successful Regatta at which, once again, Hants & Dorset Clubs dominated the racing and were clearly the best Association on the day. The Poole Rowing Club organising committee are to be congratulated on a job well done - and while I should not really single out any one in particular I feel that a special mention should be made of Kevin Ayles, from

Christchurch Rowing Club who played a major part in the success of this event.
