[NOTE 1 & 4.]					

NOTES:

- 1) Ladies Pairs and Junior Sculls not rowed at Ryde for Safety reasons.
- 2) No points awarded in Ladies Pairs at Poole or Southampton Town - only two Clubs competing.
- 3) Point awarded to first H&D crew at Southsea where the event was won by a CARA Club - except in the Novice Mens event where no point is awarded - won by CARA Crew.
- 4) No Junior Sculls point at Vospers Regatta - only 1 Club involved.
- 5) Two boat racing at Christchurch - first & second only recorded + no small boats.
- 6) Shanklin have not claimed the Mens Senior Fours points for their wins at Christchurch and Milford as the crew was unavailable for Southcoast Championship selection and only competed in those two Regattas.
- 7) No point claimed for Senior Mens and Ladies Pairs at Milford Regatta.
- 8) No point claimed for Senior Mens Pairs and Junior Sculls at BTC Regatta.
- 9) No point claimed or awarded for Ladies Senior Pairs at Vospers Regatta.

Stephen C. Bull,
 Association Secretary.
 23rd September, 1996.

The Association Secretary's Report on the 1996 Rowing Season.

The 1996 Hants. & Dorset Amateur Rowing Association's competitive season included an extra Championship Regatta - staged by Newport Rowing Club - at East Cowes, on the Isle of Wight taking the total number of Regatta's at which Championship points were contested to 14. Entries at these Regatta's were generally down on 1995, with only four Regatta's - BTC, Shanklin, Coalporters and Southsea having more than one hundred entries, although late entries on the day will have taken several other Regatta's into this bracket. The largest entry as usual was at Southsea, a joint Regatta with the Coast ARA - where the entry was 173 crews, but only 81 of these were from Hants & Dorset Clubs which is 40 crews less than 1995 - an unexplained significantly higher drop in entries than the other Regatta's which averaged a fall of around 8%. Coalporters Regatta had the highest entry of the Hants & Dorset only Regatta's - with an entry of 113 (excluding non-championship events) - which was a drop of around 6% on 1995. The weather also played in significant part in the Regatta Programme forcing the postponement of Shanklin and Milford Regatta's - and the re-arrangement of Vospers Regatta - which resulted in a clash with the National Championships - but allowed us to re-run Shanklin and Milford and so complete the Regatta programme.

The two year dominance of the Mens Senior Fours Championship by the Poole crew was finally ended although their one win gave them the runners-up spot and a representative place at the South Coast Championship following a row-off. The Hants & Dorset Championship was won convincingly by BTC who had two winning crews who between them won ten Regatta's and the point from Southsea - the main winning crew being last seasons Junior Senior Champions - Hants & Dorset Mens Senior Champions in their first season at that status, a feat not achieved since Ryde in 1985. The final two points were won by a "Shanklin" crew who were more used to the River but were a joy to watch in their two Regatta's - and recorded Shanklin's first ever Senior wins.

There was some excellent racing in the Mens Junior Senior status with three Clubs battling for the Championship honours. Coalporters emerged as Champions with seven wins and the point from Southsea - with Lymington, last years Junior Champions, with five wins mounting the main challenge and Vospers, with their two wins finishing third.

Coalporters also claimed the Mens Junior Fours, their crew winning at ten Regatta's and taking the South Coast Championships. They were chased by BTC with three wins and Ryde who managed a single win. Surprisingly this status started the season very quietly with just six crews contesting the first Regatta - but the number of crews and the standard improved steadily during the season to produce some excellent racing in the last few Regatta's and there can be no doubting the quality of the Champions.

The improvement in the standard in the Junior status during the season was a reflection on the quality of the Mens Novice crews in the first half of the season - and although inevitably the standard dropped during the second half this status did maintain the improvement shown last year in both quantity and quality. There was a good spread of wins with nine Clubs gaining Novice wins - Ryde emerging as Champions

with three wins, from Vospers and Poole with two a piece and Coalporters, BTC, Lymington, Westover Shanklin and Southampton gaining single wins.

The Ladies Senior Fours status was one of the most closely fought of the Championships - the eventual winners - Worthing - with their six wins achieving the rare feat of winning both the the Hants & Dorset and the Coast ARA Championship. Southampton's four wins gave them the runners-up spot and with BTC, who had three wins they represented the Hants & Dorset ARA at the South Coast Championships with Worthing representing the Coast. Coalporters achieved a single Senior Ladies win to complete the fourteen available points.

The Ladies Junior event was dominated by Poole Rowing Club - no less than three crews from their Club winning during the season to give them all but one of the available points - the only other Club to win being Christchurch and these two Club represented the Association at the South Coast Championships.

The Ladies Novice status continues to grow in strength and the standard of the competing crews continues to improve. The Championship could not have been more even with seven Clubs sharing the fourteen available points and the Association Championship. The seven Clubs involved were Ryde, Poole, Vospers, Southampton, Christchurch, BTC and Coalporters.

It was Coalporters again who won the Mens Senior Pairs Championship - with seven wins and the point from Southsea making them clear winners with Southsea presenting the main challenge with three wins and Poole, Lymington and Christchurch achieving single wins.

The Mens Junior Pairs was dominated by Poole there ten wins easily giving them the Association Championship. Coalporters mounted a brief challenge to Poole's dominance with their two wins with Christchurch managing a single win.

In the Ladies Senior Pairs entries were significantly down - with no points awarded at four Regatta's as only two Clubs competed. Southampton retained their Hants & Dorset Championship - with nine wins and five points. A strong but brief challenge was mounted by Shanklin who won two races with Worthing snatching a single point.

In the Mens Senior Sculls, Mick Gisborne of Southsea produced another fine display of sculling his seven wins giving him the Championship - but a very strong challenge came from Kenny Chalk of Lymington who won five of the later Regatta's - all the more impressive as he had already secured enough Junior Sculling points - a total of six - to win the Junior Sculling Championship. Stubbs of Coalporters also won a Senior Sculling race with Kelly of Christchurch winning four Junior Sculls event to make him runner-up for this Championship.

Coalporters thirty-two wins and three championships made them the Hants & Dorset's most successful Club - the final accolade being the award of the Hants & Dorset ARA's Coxswain of the year to the cox of their Junior Senior crew - Emiley Squires. Poole Rowing Club's twenty-nine wins and two Championships made them the second most successful Club with BTC, with 20 wins the third.

Registrations showed an an increase of 1 - to 647 - over 1995, 547 at first registration and 100 added during the season. However Worthing

Rowing Club accounted for 101 of these registrations against 38 in 1995 - a spectacular increase. Most Clubs actually recorded a drop in registrations - only Newport, Poole, Coalporters and of course Worthing showing an increase.

The fall in registrations, if you exclude Worthing, and the fall in entries at Regatta's have to be a concern, although one year can hardly be regarded as a showing a downward trend and we should hope for and work towards a recovery during 1997. There certainly are some positive and encouraging signs with a reasonably strong Novice Mens status, the continuing growth in Ladies rowing and some excellent racing during the season. However all the Associations Clubs need to continue to encourage more people, especially the youngsters to join our sport and we need to give serious consideration to the inclusion of other events or statuses and other ideas that will encourage more people to row - or to stay involved with our sport so that Coastal Rowing and our Association will strengthen and grow in the years ahead.

Stephen C. Bull,
Association Secretary,
Hants & Dorset Amateur Rowing Association.
16th October, 1996.

Hants & Dorset Amateur Rowing Association.

ASSOCIATION SECRETARIES REPORT ON THE 1996 SOUTH COAST CHAMPIONSHIP REGATTA, STAGED BY THE WEST OF ENGLAND ARA, AT BIDIFORD, NORTH DEVON ON SATURDAY, 21st SEPTEMBER, 1996.

By our Associations own high standards the 1996 South Coast Championship Regatta, at Bidiford, North Devon, has to be regarded as a disappointment with only limited success for Association crews. The organisation of the event, by the West of England ARA, was also disappointing, in particular the information provided prior to the event was very poor - this must have been the first South Coast Championship Regatta I have attended without sight of a programme before the Friday evening reception. Both the reception and the prize giving arrangements also left a lot to be desired. Fortunately this was the 7th time the Championships had been held at Bidiford so the course and organisation was familiar to both the organisers and the Clubs in attendance - which I suspect was the main fact that allowed the actual Regatta to run fairly smoothly. There were all the usual problems of borrowing river boats and getting crews to the start in time for their races with boat sharing, crew changes and congested boat launching and landing areas but excellent cooperation existed between the Clubs - especially between the Clubs of our own Association. The layout of the programme could have been more helpful - with no attempt made to seed crews from the same Clubs and a total of twenty-two races to be completed in two and a quarter hours with five or ten minute gaps between races. There were also some concerns expressed about the format of some of the Senior crews in the open events - it would seem that some had competed in very few of their Associations Championship Regatta's!

The Championship races were, as stated, disappointing for the Hants & Dorset representatives crews in spite of the effort they undoubtedly applied in the races. The Mens Senior Championship was won, as many had predicted, by the CARA representatives from Deal in spite of a valiant effort by the BTC crew who finished second. I am confident this young crew have more to offer and will be a winning Bidiford Bowl crew in the future - or inspire another Hants & Dorset crew to win this event which we have now not won since 1988! West of England representatives, Falmouth finished 3rd in this race with our second representative crew from Poole in 4th. In the Junior senior Championship event the Hants & Dorset Champions from Coalporters were again beaten in to second place, this time by the Exeter crew representing the West of England. Torquay, the other West of England crew finished 3rd with the other Hants & Dorset crew - from Lymington - finishing in 5th place. The Mens Junior Championship provided the only Championship winning crew for the Hants & Dorset - Coalporters, the Association Champions, winning in fine style from Paignton representing the West of England, with Herne Bay representing the coast in third. The second Hants & Dorset representatives, BTC finished 4th. The Ladies Senior Championship proved to be the most disappointing of all the Championship events the two Hants & Dorset crews - BTC and Southampton 5th and 6th respectively in an event won by West of England representatives Exeter, followed by the two Coast ARA crews - Shoreham and Worthing. In the Ladies Junior Championship - Exeter completed a Hat trick of Championship wins - with the West of England's second crew - Falmouth in second and the the two Hants &

Dorset representative crews - Christchurch and Poole in 3rd and 4th place. Exeter's three Championship wins assured the West of England ARA the Bass aggregate shield for the most successful Association in the Championship events - the Hants & Dorset just beating the Coast ARA into second place.

The open and invitation events produced a slightly better set of results for Hants & Dorset Clubs as they won four of the seven events - taking all three top places in two of them and with an interest in all but the Novice Ladies which was won by Bexhill. Indeed it was the Isle of Wight that led the way with the four Hants & Dorset coming from two Island Clubs - Ryde winning three and Shanklin the fourth. Ryde's wins came in the Invitation Junior Senior event, the Mens Junior event - where they were also second with Shanklin third and the Ladies Junior event where Coalporters were second and Poole third. The Shanklin win came in the Ladies open Senior Final. The Mens open Senior Final was won by Shoreham - with BTC finishing third and the mens Invitation Novice Fours was won by Bidiford Reds with Southsea in third place. Ryde's three first places and a second comfortably gave them the Port of Dartmouth Royal Regatta Sesquicentennial Trophy for the best performing Club in the Invitation and open events at the Regatta.

In spite of the disappointing results for most Hants & Dorset Clubs the Association did, as usual, provide the bulk of the crews that competed. In the Open and Invitation events there were entries from 66 Hants & Dorset Club Crews against 33 from the Coast ARA and 27 from the West of England Clubs - 52% of all crews coming from the Hants & Dorset. This continued strength in depth will, I am confident, result in the Hants & Dorset ARA re-emerging as the dominant force at the South Coast Rowing Championships and by next years event and I am sure we will once again be the top Association in both the Championship and the Open and Invitation events.

Stephen C. Bull,
Association Secretary.
Hants & Dorset ARA.
