NOTES.

1. Mens Senior Pairs - Ryde - point awarded to Lymington - 1st H&D Crew to finish.
2. Mens Senior Pairs - Shanklin - point awarded to Southampton - 1st H&D Crew to finish.
3. Mens Senior Pairs - Newport - 3 crews started - only 2 completed course.
4. Ladies senior Pairs - Newport - all crews withdrew - no race.
5. Ladies Sculls - Newport - race abandoned.
6. Ladies pairs at Milford - 2 Clubs - No point.
7. Ladies Sculls - Southampton Town - 2 Scullers - No point.
8. Swanage Regatta - Novice Men - 2 Clubs - no point/no status change.
9. Mens Senior Pairs Sculls - Southsea - Southsea take point as first H&D Crews.
10. Ladies Novice Fours - Southampton - 2 of crew not registered - point withheld.
11. Ladies pairs at Swanage - Christchurch gain point as first H&D Crew to finish.
12. Ladies Sculls - Bournemouth - Point awarded to First H&D Sculler.
13. Coalporters Regatta - Mens Novice Fours - two crews - open race - no point, no status. Mens Junior Pairs - no entries. Ladies Senior Sculls - two entries - no point.
14. Ryde were selected as the second representative place for the South Coast Championships decided by a row-off between Ryde, Coalporters and BTC B.

Southsea won the Row-off against Westover in the Ladies Junior Fours - and Christchurch won the row-off against Poole in the Ladies Senior Pairs to claim their respective Hants & Dorset Championships.

Steve Bull.
Association Secretary.
16th September, 2000.

The Association Secretaries Report on the 2000 Season.

All fifteen Hants & Dorset Championship Regatta's were successfully completed during the 2000 season - the only postponement taking place at Milford where a thick sea mist made it impossible to even start the Regatta in spite of otherwise excellent conditions. But this Regatta was successfully rescheduled. Entries were down on the previous year - by 4.2% - a trend that needs to be arrested. As usual Southsea Regatta, which is combined, with the Coast ARA had the largest entry with 146 crews entered of which 82 came from Hants & Dorset Clubs. Swanage topped one hundred entries - with 108, and Bournemouth, Itchen, Poole, Shanklin, Coalporters and Southampton with entries in the nineties must all have topped 100 with late entries taken into account. Newport had the lowest entry with just 66 - a reflection perhaps on Clubs willingness to travel to the Island - when compared with the reverse trip made many times by the Island Clubs.

The Men's Senior Fours racing, which was always exciting, produced new Champions in Southsea, ending the domination of BTC in recent years, who never the less remained their main challengers with four wins during the season. However the Southsea Senior Crews eight wins and points were more than enough to see them confirmed as Senior Champions - a position they confirmed by winning the South Coast Senior Championship as well, BTC being the Associations second representative crew. Coalporters produced a brief challenge to Southsea and BTC taking two races and Lymington, also always in the hunt snatched a single win.

The Men's Junior Senior Fours Championship, in spite of some very close races was a rather a one sided affair with Lymington, the Champions winning ten of the fifteen regattas and claiming a South Coast Championship slot. Their main challenge came from Ryde and Southampton, with Ryde eventually claiming second place, and the South Coast Championship representative slot with their three wins against Southampton's two.

The Men's Junior fours was also won with comparative ease - BTC winning nine of the races with two different crews. The chase for second place was more exciting with three crews winning two races each - Ryde, Coalporters and Worthing. With Worthing unable to represent the Association at the South Coast Championships a row-off was held between Ryde, Coalporters and the second BTC crew - which Ryde won and then went on to win the South Coast Championships.

Thirteen of the Men's Novice races were contested and had points and status awarded - Swanage and Coalporters having insufficient entries. Three Clubs emerged as the joint winners of this Championship - Poole, Shanklin and BTC all gaining two wins and points - with seven other Clubs claiming single Novice wins - Coalporters, Itchen, Westover, Ryde, Christchurch, Worthing and Southampton.

The most dominant performance in all the Associations Championships in 2000 came in the Ladies Senior Fours where BTC retained their Championship with twelve wins. Their dominance was only challenged on a few occasions - Poole winning twice to claim the second representative slot and Itchen notching up a single win.

In comparison the Ladies Junior fours was the closest of the fours contests with Southsea and Westover battling it out to the end of the season and beyond - a row-off, won by Southsea, eventually being needed to brake the deadlock following their six wins a piece. Coalporters were the only other serious challengers with three wins. For the second time in three seasons the winning Southsea crew started the first Regatta as Novices and won that event before winning their first Junior race at the same regatta.

Eight different Clubs won Ladies Novice fours events with all events contested but one point withheld for unregistered oarswomen. Christchurch's three wins gave them the Championship with BTC, Lymington, Poole and Southsea with two wins and Coalporters, Ryde and Shanklin with single wins.

Southsea, with a number of different combinations, and a total of five wins plus the point at Southsea won the Men's Senior Pairs the challenge coming from Lymington and Coalporters with three wins a piece and Itchen and Southampton who each achieved a single win.

The Men's Junior Pairs was more straightforward - with Christchurch's nine wins securing victory against Southsea with four. Surprisingly there were no Junior pair entries at Coalporters Regatta.

The Ladies Senior Pairs was another very closely fought contest with Christchurch and Poole finishing the season with four wins apiece - and a row-off required in which Christchurch triumphed. Southsea challenged with three wins and Worthing won a single Regatta.

The Men's Senior Sculls was retained once again by Mick Gisborne of Southsea with ten wins - with Southsea Scullers Watling and Stearne also winning. Horn of Christchurch and Holden of Worthing also notched up single wins.

The Men's Junior Sculls was quite closely contested with Ingle of Southsea's seven wins giving him the Championship over Taylor of Itchen with five wins, McLaughlin of Worthing claiming the other two.

Lesley Walters of Shanklin won the Ladies Single Sculls with a convincing performance taking nine points from ten wins - Basing of Poole with two wins mounting the only serious challenge.

Southsea were the most successful Club with forty-six wins and five Hants & Dorset Championships crowned by the Bidiford Bowl. BTC were the second most successful Club with thirty wins. Five other Clubs - Christchurch, Lymington, Poole, Shanklin and Coalporters had more than ten wins.

Penny Abdolkarimzdech, coxswain of the Championship winning Lymington Junior Senior Crew won the prestigious Coxswain of the year award - the second year in succession it has been won by a Lymington Coxswain.

Club registrations at 606 were slightly down on 1999 where there were 647 - a drop of 6.7% - a return to the registration figure of 1998. Poole was the largest Club with 102 registered members, BTC with 76 were second, Southsea third with 66.

In spite of one or two unsavory incidents the general crew discipline at the seasons Regatta's was much improved and a number of rule changes - notably the start procedure - and a more consistent approach by Racing Officials led to less incidents at Regatta's.

While there are still improvements required at all levels and in all areas I believe that we have made significant progress during the season and witnessed some excellent racing and well run Regatta's. Of concern must be the drop in entries and registrations which the Clubs need to address - but with the success of our Olympic crews in Sydney we will never have a better opportunity to promote our sport - it is an opportunity we need to grab with both hands to build upon what I believe we can regard as a successful season.

Steve Bull,
Association Secretary.
3rd January 2001.

The Association Secretary's Report on the 44th South Coast Rowing Championships, at Appledore & Instow, North Devon, Saturday, 23rd September 2000.

The 44th South Coast Rowing Championships, hosted by the West of England, was held at Appledore & Instow, North Devon and organized by the local Regatta Committee. But once again the event was plagued by the poor weather with just four heats from the open and invitation events staged before the conditions on the water forced their cancellation. While the first half of the course was reasonable the conditions along the quay at Appledore were very difficult - all crews taking on water and several sinking.

The Officials on the day made the unfortunate but correct decision to concentrate on the Championship events and all five were successfully completed but at a cost - there being no time or adequate safety facilities to complete the open and invitation events.

The first Championship event, the Ladies Junior Fours went off on time and was won in fairly convincing style by a the Hants & Dorset Champions from Southsea - who were Novice at the beginning of the season and only secured the Hants & Dorset Championship in a row-off against Westover a week and a half previously. The Westover crew, the Hants & Dorset second string, came in second, four length's behind Southsea and a length and a half ahead of 3rd placed Dart Totnes to secure an excellent one, two for the Hants & Dorset ARA. Bidiford AAC were fourth with the two Coast ARA Crews - Bexhill & Here Bay finishing 5th and 6th.

The Men's Junior Fours Championship produced another one, two for the Hants & Dorset ARA. with Ryde, who had given notice of their intent when comfortably winning the Association row-off for the second representative slot, winning by 3 lengths from Hants & Dorset Champions, BTC, who beat West of England representatives Exeter by half a length. Bidiford AAC, the second West of England crew were 4th with the two Coast ARA representative crews, Worthing and Bexhill finishing 5th and 6th respectively.

The Hants & Dorset Men's Senior Fours Champions - Southsea, added to their seasons silverware with a fine and convincing win in the Men's Senior Fours Championship, winning by two length's from Coast ARA representatives Herne Bay. The second Coast representatives - Shoreham - were third with the West of England representatives Torquay and Falmouth 5th and 6th. The event was marred by the disqualification of the second Hants & Dorset representatives, BTC at the start. The circumstances surrounding this disqualification are difficult for me to comment on, as marooned as I was on the beach at Instow, I did not witness this unfortunate incident and the statements from those I have spoken to since are contradictory - I have no choice but to accept that the starters made the right decision.

The West of England crews dominated the Senior Ladies Championship event with Bidiford Reds winning by 3 lengths over Exeter - who pushed the Hants & Dorset Champions - BTC - into third place by just half a length. The Coast ARA representatives Shoreham and Deal were 4th and 5th respectively with the second Hants & Dorset representatives finishing sixth.

The West of England ARA claimed their second Championship win in the Men's Junior Senior event - Exeter beating Hants & Dorset Champions Lymington by the narrowest of margins - just a Canvas. Coast ARA representatives Shoreham finished 3rd which along with their Men's Senior crew was the highest positions achieved by Coast ARA representatives crews. The second Coast ARA crew - Hern Bay, finished 4th, with the second Hants & Dorset Crew - Ryde in fifth place and Bidiford AAC, from the West of England 6th.

All the Hants & Dorset ARA's representative crews who competed are to be congratulated on their performances in very difficult conditions and our three Championship wins, three second places and

one third was enough to secure the Bass Charrington Aggregate Shield for the Association once again, with the West of England in second place.

Only four heats in the invitation races were held before these events were stopped and eventually abandoned in favor of the Championship events. For the record Hants & Dorset Crews from Christchurch, BTC, Poole and Coalporters had qualified for the Men's Junior Invitation Fours Final and BTC and Southampton had qualified for the Men's Open Senior Fours Final and I have every confidence that there would have been other Hants & Dorset qualifying crews and that most of the Open and Invitation races would have been won by Hants & Dorset Clubs. The entry in the Invitation and open events was 89 with 44 of these - nearly 50% - coming from the Hants & Dorset ARA. The West of England ARA, the host Association had what must have been a disappointing entry of 25 crews and the Coast ARA had just 20.

To lose all the open and invitation events on a West of England course and for the third time in four years is a serious situation and adds further support to the decision by the South Coast Council that we must move away from the late September date for this event - and strengthens the growing opinion that an inland multilane course like Dorney Wood at Eton should be considered.

While, having experienced at first hand the trauma of being involved in the organization of a South Coast Championship Regatta defeated by the weather, I have every sympathy with this year's organizing committee I have to say I was unhappy with a number of aspects of the Regatta organization and venue. Communication prior to the Regatta was very limited and received late although the program was very good. The venue for the reception and prize giving was good but the events themselves were disappointing. Facilities for the crews at Instow were no more than adequate and the communications regarding the organization and administration of the regatta and the various rearrangements required was poor. Safety was a concern - the main reason why more Invitation event heats were not held was lack of Safety cover. The location split as it is between the crews and coaches at Instow and the bulk of the supporters across the river at Appledore lacks the atmosphere you get at most Championships. Hindsight is easy - but the event should have been moved to the second course at Bidiford early in the day - and I have to question the suitability of Appledore and Instow as a South Coast Championship venue as this year's event confirmed my worst fears.

That said the performance of the Hants & Dorset Championship Crews who competed was excellent confirming once again that we are the best of the South Coast Rowing Associations - and hopefully, with next year's event at Folkestone earlier, on the 8th September, this will be the case yet again - and we will be able to dominate the Open and invitation events as well.

Steve Bull,
Association Secretary,
September 2000.

South Coast Championship Regatta.

44th Championship Regatta.

Held at Appledore and Instow on Saturday, 23rd September 2000.

Hosted by the West of England Amateur Rowing Association.

All Open and Invitation events were cancelled.

CHAMPIONSHIP EVENTS - RESULTS.
